

# OCRME Faculty Development Menu

OCRME offers time-limited, interactive faculty development workshops addressing skills for teachers, evaluators and educational researchers. OCRME staff, as well as faculty from throughout the College of Medicine, facilitate these workshops. These workshops can be customized to fit your needs. To inquire about having a workshop presented to your department, division or other group, please contact Stephanie Burnett ([stephanie-burnett@uiowa.edu](mailto:stephanie-burnett@uiowa.edu)).
